Introduction :-

M/s Indian Chemical Research Corporation (ICRC) is NABL Accredited and ISO Certified Laboratory. One of the most Reputed, Reliable and Independent Testing and Research Laboratory in Hazira, Surat, Gujarat. We have a Wide Range of Material Testing Facility Including Coal & Coke, Minerals (Rock, Phosphate, Limestone, Dolomite, Iron Ores, Etc.) Chemical, Water and Waste Water, Environment, and Food Testing Etc. ICRC has Advance Facility with Experience and Competent Scientist and Analysis to the Products. We have Set a Analysis Product as per BIS, ASTM, USP, FSSAI, APHA Etc. We Set Accurate Analysis Service to Our Valued Client With a Commitment of Continuous up Gradation Provide World Standard Testing Service to Client.

Quality Policy :-

M/s Indian Chemical Research Corporation (ICRC) is Committed to Provide Precise, Reliable & Timely Testing Services to the Client by Using Testing Method as per National and International Standard.

⇒ We are Committed to achieving Our Quality Policy.

- ICRC Ensure For Maintaining Confidentiality and Credibility While (Servicing) the Client.
- The Effectiveness of the System is Continually Serviced and Improved.
- ICRC has Established a Management System Which Complies With ISO/IEC 17025:2015.

Services Offered By Us.

Mineral Analysis

- Coal & Coke Analysis
- Rock Phosphate Analysis
- Limestone Analysis
- Dolomite Analysis
- Iron Ores Etc.

Water & Waste Water Analysis

- Raw Water
- Effluent Water
- DM / DI / RO Water
- Sea / Pond / Well Water
- Microbiological Analysis
- Chemical Analysis

Pollution Control, Consultants, Auditor & Engineers.

- O & M of ETP, STP & RWTP.
- Design of ETP, STP, ZLD.
- Air Pollution Control System.
- Air/Stack Monitoring & Analysis.
- Environmental Auditing Work.
- Environmental Consulting.

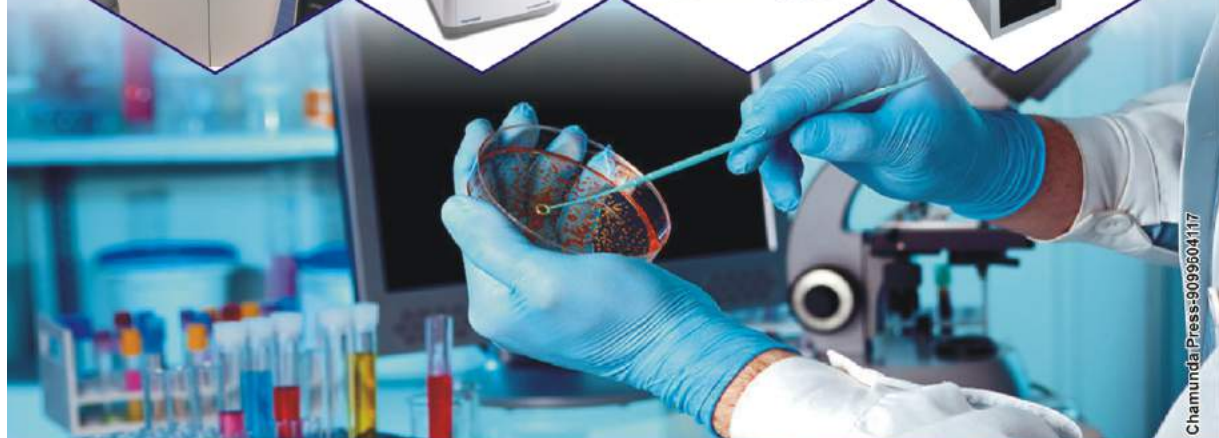

FATS AND OILS

Food Analysis

- Milk & Dairy Products.
- Spices & Herbs.
- Fruits and Vegetables.
- Oils & Fats.
- Bakery Products.

Accuracy is Everything
